DS9093S
iButton Wall Mount

www.maxim-ic.com

FEATURES

- Low-cost fixture that permanently secures an iButton® to an object.
- Allows an iButton to be easily and permanently attached to an object using screws or rivets (F5 MicroCan®).
- Made from 13% glass filled Nylon 6/6

DESCRIPTION

The DS9093S allows the user to permanently attach an iButton to an object with two screws, or rivets. The plastic plate is designed with an inset that accommodates the flange of the F5 package and allows for flush mounting. A protective wall is provided along the sides of the plate to reduce incidental damage to the iButton.
